Re: *United States v. Miguel Calderon*, 17 Cr. 611 (AT)

Dear Judge Torres:

I represent Miguel Calderon in the above-caption matter and, having consulted with Mr. Calderon's state court attorney regarding the case venued in New York Supreme Court, submit this joint request on behalf of the defense and the government to adjourn the conference regarding the violation of supervised release (VOSR) currently scheduled for March 11, 2024.

Mr. Calderon has not yet resolved the state court proceeding, but I believe the parties there have been in discussions that may soon determine if Mr. Calderon will proceed to trial. Because the VOSR pending here arises out of the same conduct that is the subject of that case, and given that the resolution of the state court case could render a hearing to prove any of the VOSR specifications unnecessary, the parties respectfully request that this Court adjourn next week's appearance until the week of April 12, 2024.

Respectfully,

/s/ Megan W. Benett

GRANTED. The violation of supervised release hearing scheduled for March 12, 2024, is ADJOURNED to **April 16, 2024**, at **10:20 a.m.**

SO ORDERED.
